

Respected Sir/Madam,

I am a first year PhD student in the Electrical and Computer Engineering Department (ECE), University of Arizona.

I am interested in the Research Intern position in the Research, Development, and Innovation Corporate Engagement Services (CES). I feel I am a suitable candidate for this position as I possess the skills listed in description for the position.

To support my application, I have attached my Resume for your consideration.

Looking forward to hearing from you.

Yours Truly,  
Danya Pradeep Kumar
